

Access map from the airport to Les Jardins D'Espérance

As you leave the airport, take the expressway, direction Basse Terre. Follow the road for about 10 km until you reach the N1 still heading for Basse Terre. On your right, take the "Route de la Traversée", direction Pointe Noire/Bouillante. For about 30 km, this road takes you over the mountain and across the island of Basse Terre to the coast road linking Pointe Noire and Bouillante

When you get to the coast road, turn left, direction Bouillante. After about 3 km, you will go past the beach of Malendure, look out for the Leader Price supermarket (1) on your left. 500 metres further on you will reach a straight road with speed bumps to slow the traffic.

After the third speed bump, turn left at the paper shop (Librairie-papeterie), direction Cafetière-Birloton (2). Climb the hill for 700m until you reach a Y-junction, there you take the right fork marked "le Chemin de l'Habituee Nègresse" (3). The gite is 500m higher up on your left.
